

WE SPECIALISE IN SELLING OTHER AGENTS OLD LISTINGS

Many people believe that if one agent hasn't been able to sell a property then its likely no-one else can

NOTHING COULD BE FURTHER FROM THE TRUTH

Like all professions, all agents have different approaches and skill sets and often all it takes to get a better result or even just a result is to try someone different

Why we have so much success selling properties that others were not able to for whatever reason is not easy to quantify but we think our continuous time in the industry, experience, the ability and quality of our people, and the level of commitment we have demonstrated to our market as a combination has given us a certain advantage

Below are just some of the properties we have sold in recent times that were previously listed with others (the majority riverfront properties)
